

# YOUR NATIONAL RETAIL CONVENIENCE PARTNER

### MPI Certification

All our sites have registered Food Safety Programmes that meet the requirements of HACCP (Hazard Analysis and Critical Control Point). We close out on audits from MPI Registered Verifiers/Auditors on an annual basis. We insist that all manufacturers and suppliers that we deal with comply with the Foodstuffs Food Safety Approved Supplier Programme.

## BROAD RANGE NATIONAL COVERAGE

GTT National is owned by Foodstuffs.

We are a nationwide, full service Foodservice business. Our comprehensive range of products incorporates household name brands, as well as our own well-established brands. With a fleet of over 150 trucks nationwide, we deliver throughout the country.

GTT was created to deliver a streamlined, nationwide service to existing Gilmours and Trents customers. Our objective is to provide that service to any national organisation that would benefit from our broad range and integrated service offering.

**GTT National is comprised of two of New Zealand's longest serving and most experienced wholesale food companies. Over the years we've been in business, we have established successful and long-term relationships with New Zealand's and the world's best suppliers, producers and manufacturers. By working with us you benefit from both our proven processes and our access to the best quality and market leading products in the foodservice industry.**

GTT National customers also benefit with having local operations delivering frequently in their local regions. Our local sales force and service teams know and understand their regions well enabling a truly service driven customer experience.
